**Re: Little Etobicoke Creek  
Temporary Flood Wall Construction Notice**

The City of Mississauga will be constructing a temporary flood wall adjacent to the Applewood Hills Trail. This flood wall is being constructed as part of the Riverine Flooding Review Phase 1 Assessment. The approximate alignment of the wall (yellow) and staging area (blue) for construction can be seen below.

Construction activities can be expected on or after June 18<sup>th</sup>, 2024. Construction will include temporary impacts to the trails, tree removals/ pruning, and noise from construction. We appreciate your understanding. Any questions can be addressed to the contact information below.

Sincerely,

Evelyn Krolicka Lewis  
Project Manager  
City of Mississauga  
(905) 615-3200, ext.5921
