PROJECT UPDATE

Watermain Replacement and Improvement
Dixie Road and Dundas Street East
Project 18 -1310 C2

Peel Region has been working in your neighborhood to replace the watermain along Dundas Street East as part of our commitment to maintaining and improving your water service.

Under the City of Mississauga Noise Bylaw, overnight work is permitted to minimize disruption. Work will take place on the nights of October 27 - 28, October 28 - 29, October 29 - 30 2025, between 10:00 p.m. and 8:00 a.m. at the intersection of Dixie Road and Dundas Street East.

Schedule

This work is scheduled to take place overnight on two consecutive nights:

- October 27 - 28, 2025
- October 28 - 29, 2025
- October 29 - 30, 2025

Work will occur each night between 10 p.m. and 8 a.m., in accordance with the City of Mississauga Noise Bylaw.

Please note that additional nights may be required due to weather conditions or other unforeseen circumstances.

Traffic impacts

Lane restrictions will be in place at the intersection of Dixie Road and Dundas Street from about 9 p.m. on October 27 to about 8 a.m. on October 30. Please expect minor traffic disruptions.

Dixie Road north of Dundas Street intersection: Two median lanes northbound and two median lanes southbound will be closed for the duration of the work, including daytime hours of October 27 to October 30. We will place signs giving directions.

Noise

We do not expect significant noise or vibrations above normal daytime construction levels during this time. Efforts will be made to reduce impact to residents.

Construction safety

Construction zones require extra caution to keep everyone safe. Be aware of your surroundings when driving, walking, or biking near the construction area. Watch for construction crews and other road users, slow down, and consider other routes. Visit peelregion.ca/workzonesafety for more information.
